

SUPER GREASE

Multi-Purpose Chassis Grease

JP Trust Super Grease is calcium-based grease formulated to meet a wide variety of lubrication functions. JP Trust Super Grease is manufactured using a special process, which allows the product to retain its consistency and oil retention properties overtime. The product demonstrates exceptional stability and will not result in oil separation overtime.

JP Trust Super Grease is a versatile lubricant suitable for use in a wide variety of applications. The product can be used in general automotive, industrial and agricultural lubrication of equipment and machine parts.

BENEFITS / APPLICATIONS

- Resists oil separation over time.
- Thermally stable.
- Mechanically stable.
- Versatile, multi purpose.

TYPICAL PHYSICAL AND CHEMICAL PROPERTIES

Test Description	Method	Typical Results
NLGI Grade		2
Thickener Type	-	Calcium
Texture	-	Tacky
Colour	Visual	Dark Brown
Worked Penetration at 25°C	ASTM D-217	265-295
Dropping Point, °C	ASTM D-2265	>90
Rust and Corrosion Test	ASTM D-1743	PASS
Water Resistance	-	Yes

HEALTH AND SAFETY

Avoid prolong and repeated skin contact, wear suitable protective clothing and gloves. After skin contact, wash immediately with soap and water. When disposing of used product, be responsible to the environment, do not discharge into drains, soil or water. Take used product to an authorised collection point.
